**Re: Misako Ishimura – Technical Commission**

Dear Mr. President and the other Presidential Board,

The 'World Fly Fishing of Japan(WFFH)' supports for Misako Ishimura, myself, candidacy for the technical commission of FIPS-Mouche.

I am a founder of WFFJ and a chair of WFFJ since 2000. I've been involved in FIPS-Mouche Senior World Fly Fishing Championship(WFFC) from 2000 and MasterWFFC, last year.

My language skills are English and Japanese and my organization skills were well evaluated when I used to work many years as an Assistant Vice President of International Commercial Bank in New York, NY. I've been organized World Fly Fishing of Japan and Fly Fishing Team Japan since 2000.

President of WFFJ, Nobuichi Suzuki, is convinced Misako will do a great job as FIPS Mouche Technical Commission because of her fairness and many experience of WFFCs.

Could you please provide a copy of this letter to the member countries of FIPS-Mouche at the end of the coming CIPS congress in Prague? Thank you in advance.

Yours truly

Nobuichi Suzuki
