

Inspection Agreement

Ver 2022

FIPS-Mouche International Sport Fly Fishing Federation

Inspection agreement for the 10th FIPS-Mouche Masters World Fly fishing Championship, 2025, Spain, Asturias

This is an agreement (in double) on the organisation of a FIPS-Mouche Championship, signed by the representative of the Host Country Federation or Organisation, responsible for the correct enrolment of this championship following the most current FIPS-Mouche Competition rules, Statutes and the FIPS-Mouche Guidelines.

Date: 27/09/2024

Place: Oviedo

Pedro GARCIA , international organiser
Federacion Española de Pesca y Casting

Stefan ALLACKER , General Secretary
FIPS-Mouche

Article 1: Parties

This agreement has been made between FIPS-Mouche , represented by board member Stefan Allacker, General Secretary, stefan.allacker@fips-mouche.com, and the host country, Federacion Española de Pesca y Casting (FEPyC) nominated representative Jose Luis Bruna Brotons, nikano.jotaele@gmail.com . FIPS-Mouche and FEPyC will be used throughout this document and refers to the above.

FEPyC has appointed Pedro Garcia, pedrogarcia.fadpyc@gmail.com , as International Organizer (IO). The IO will be in charge of the organisation of the championship in accordance with Art 6.2(c) of the Competition Rules.

FEPyC ensures that the appointed International Organizer has the required experience at local, national level or world level and has the required knowledge of the FIPS-Mouche competition rules and experience in application of these rules.

Article 2: Championship Programme

The detailed programme, including all timings, will be available on the competition website. The detailed layout in Annex A is in line with the general layout below.

28/09/2025	Day 1: Arrival - Captain's meeting - opening ceremony and dinner
29/9/2024	Day 2: First session of competition
30/09/2025	Day 3: Second session of competition
01/10/2025	Day 4: Third session of competition
02/10/2025	Day 5: Fourth session of competition
03/10/2025	Day 6: Fifth session of competition, cultural, symposium, medals and closing ceremony – closing banquet
04/10/2025	Day 7: breakfast - travel home

Article 3: Estimated attendance

FIPS-Mouche requires a minimum of six (6) complete teams to have a valid FIPS-Mouche Championship.

The IO requires a minimum of ten (10) for the championship to be financially feasible. Should this minimum number not be attained, the championship will be cancelled in common agreement between both parties above (Art 1). This decision must be taken at least six (6) months before the start of the championship.

Fifteen (15) teams are expected to take part in the championship.

A maximum of eight (8) members is allowed per team (6 athletes, 1 captain, 1 manager). Extra delegation members shall be registered as accompanying person.

There will be maximum two (2) FIPS-Mouche board members present. FIPS-Mouche will provide the names of these members at least 6 months before the start of the championship.

FIPS-Mouche will provide International Supervisors for all “bank” competitions.

Some guests of honour and guests are expected to attend. The number at the time of the inspection however was unknown.

Article 4: Accommodation for teams and FIPS-Mouche personnel

The IO provides accommodation in the hotels listed below during the official programme of the championship. The first hotel is the Head Quarter (HQ) of the championship.

Name	Official grade	Double rooms	Single rooms	Total beds
1. HOTEL HQ	Marriot AC hotel OVIEDO			

All in-country cost related to the presence and activities of the FIPS-Mouche Board, arriving 2 day(s) before the official programme and the International Supervisors for the whole duration of the official program of the championship will be included in the budget of the championship.

The FIPS-Mouche Board members (in single rooms) and the International Supervisors (in twin bedded rooms) will be accommodated together in the main championships hotel, where meetings, draw, results, meeting/secretary rooms are and where are all facilities for printing, producing and showing of the results.

The IO will make the necessary arrangements for early arrivals of teams (contact details and facilities available). The IO will publish accommodation facilities for early arrivals on the championship website.

The IO will insure, that national flags of participating are flown throughout the championship at the HQ hotel.

Article 5: Accommodation necessary for running of championship

The IO will provide 2 meeting rooms:

- 1 for inputting of results and for jury meetings (capacity 10+),
- 1 for captains meeting (capacity of 25+).

The IO will make sure that all these rooms have internet connections.

The IO will provide a championship registration office (CRO) in the main championship HQ hotel. The CRO must have easy access for all registrants (FIPS-Mouche, teams, guests) Opening hours will be published on the championship website.

Article 6: Competition sectors

Sector	Name	Beat length Avg (bank only)	Buffer zone	Fish species
I	Bank Calabazosa (high mountain lake) Somiedo	150	NO	Brown trout Brook Trout (Salvelinus alpinus)
II	Bank PILONA river Infiesto	250	NO	Brown trout Sea trout
III	Bank CAUDAL river Mieres	250	NO	Brown trout
IV	Bank TRUBIA river Oviedo	250	NO	Brown trout Sea trout
V	Bank NARCEA river Cornellana	250	NO	Brown trout Sea trout

The IO will publish a map on the championship website with clear identification of the boundaries (GPS longitude and latitude) of the competition sectors on the championship website at least 30 days before day 1 in the official programme.

For practice a buffer zone of at least 100 meters will be included above and below the boundaries of the competition sectors.

Article 7: Practice waters

All waters outside the competition sectors are available to the teams for practice.

The IO will publish on the championship website map of recommended practise waters, possible restrictions, requirements for licences, contact list of sale points for licenses (with opening hours if applicable), guides, flyfishing shops in the area, and other relevant information.

Article 8: Draw (*Cfr Competition Rules Article 2.1*)

FIPS-Mouche will conduct the secret draw during the captain's meeting, establish the colour coded groups table and prepare the envelopes with the draw results for the sessions and sectors.

The IO will provide projector and equipment for the draw allocating numbers to teams and letters A to E for each member of the team.

The IO will provide required office equipment: a fast colour printer, 30 A4 envelopes and 100 pages of A4 printing paper, stapler, paper clips, markers, pens, ...etc.

The IO will provide the championship logo in a JPEG format. FIPS-Mouche will include this logo on all championship documents.

The IO organizer will provide coloured lanyards (i.a.w. colours in groups table) and accreditation badges for all athletes, captains, managers, accompanying persons, FIPS-Mouche officials and all official organizational personnel (sector judges, beat controllers, IO and assistants, ...etc). For each team a captain's badge will be provided without specific name, only mentioning "captain" and "country". This badge may be passed from team member to team member.

Article 9: Rules modifications

The rules modifications will be established in common agreement between both parties. After finalization they will be published on the championship website and the FIPS-Mouche website, ideally not later than 7 months before the championship.

Last minute changes to the Rules Modifications may only be initiated by the International Organiser and the Senior FIPS-Mouche Representative present at the championship.

Article 10: Scoring and Results

The IO will ensure swift transmission of the scoring cards from the sectors to the FIPS-Mouche office at the venue main hotel or any other designated place. In practice they will return with the groups returning to the HQ hotel. The results will be brought directly to the designated room for inputting of results, in ascending order of the beats.

The IO will use scoring cards in accordance with the FIPS-Mouche Template. This template is available in the guidelines section of the FIPS-Mouche website.

The IO will provide an information board for the display of the results in a public area in the HQ hotel. The information board should be able to display approximately 50 pages A4.

The IO will publish the results on the championship website within 30 min after transmission by FIPS-Mouche.

FIPS-Mouche will publish the results on the FIPS-Mouche / championship website.

The IO will provide office equipment: a fast colour printer, 200 pages of A4 printing paper, 30 A4 envelopes, sticky tape, stapler, paper clips, markers, pens...etc.

The IO will provide the required score sheet tare and waterproof plastic foil (30 each per registered team). One side should be pre-printed. FIPS-Mouche will provide the template that needs to be used.

Article 11: Transport

The IO will arrange transport to and from point of entry/departure in the host nation country to the venue of the event for all FIPS-Mouche officials (board members and international supervisors).

FIPS-Mouche will organize arrivals at airports to be at approximately same times.

The IO will provide transport for FIPS-Mouche board members for visiting the competition sectors during the event.

The IO will provide adequate transport for the teams between the main hotel to the competition areas.

The IO will organize the transport ensuring that athletes arrive on their beat at least 30 minutes before the start of the session. (Art 9.4 of the CR)

Article 12: Ceremonies

All media rights for FIPS-Mouche Championships are owned by FIPS-Mouche exclusively.

The IO will organise 2 ceremonies: 1 opening (day1) and 1 closing (day6). On both ceremonies the last speaker shall be a FIPS-Mouche board member. He will officially "open" and "close" the championship. The protocol for these ceremonies is available on the FIPS-Mouche website guidelines section.

Only two medal ceremonies (1 individual and 1 teams) are authorized and permitted. They will held be at the closing ceremony of the championship. No other types of presentations will be allowed during the medal awarding ceremony of the Championship.

Providing of a sound system and loudspeakers is a responsibility of the IO.

The medals for teams and individuals, will be provided by FIPS-Mouche. They shall be handed over to the International Organiser at the start of the championship.

The IO ensures that national anthems of the team and individual gold medallists are available and will be played at the medal ceremony.

The national flag of gold, silver and bronze medallists will be raised during the playing of the national anthem of the gold medallist.

The IO will provide a podium in 3 levels for gold, silver and bronze medallists, large enough for teams as well.

Article 13: Conservation Symposium (only for world championships)

The IO will organize a conservation symposium (Art 2.5 of CR). The subject needs to be approved by FIPS-Mouche and after approval the topic will be published on the championship website.

Article 14: Guest Programme

The IO will provide a guest programme for accompanying persons. The programme will be specified on the championship website.

Article 15: Budget and Finance (Cfr Competition Rules Article 6.1(e))

The IO will provide a detailed budget in accordance with the template provided in the FIPS-Mouche guidelines in order to calculate the estimated cost per participant.

The cost per participating team members: One thousand three hundred (1300) Euro

The cost for participating guests: One thousand two hundred (1200) Euro

The IO will pay fees to CIPS and FIPS-Mouche. FIPS-Mouche will provide an invoice for the amount due:

- **30 € FIPS-Mouche fee per registrant** to be paid by Hosts to FIPS-Mouche:
FIPS-Mouche bank details :
Banque et Caisse d'Epargne de l'Etat – L-2954 Luxembourg
Bank Address BIC (Swift) : BCEELULL
Account n IBAN: LU62 0019 0038 5693 7000 (€ EURO)
- **500 € CIPS fee** for Championship to be paid by Host to CIPS Treasurer, before start of the competition:
CIPS bank details:
CREDIT AGRICOLE VAL DE FRANCE
IBAN (International Bank Account Number): FR76 1440 6001 6390 0025 7407 084
Code BIC (Bank Identification Code) - code swift: AGRIFRPP844

Article 16: Insurance (Cfr Competition Rules: Article 8.1)

The IO will have an insurance policy for the duration of the event covering all possible accidents related to event.

Article 17: Safety and Security

The IO will setup a plan for safety and security management. He will arrange coordination and liaison with local police, have medical support stand-by at the competition sectors and organize a safety briefing at the captain's meeting, pointing out dangers, hazards and precautions to be taken.

Article 18: Championship website

FIPS-Mouche provides the IO with the possibility to use the FIPS-Mouche website for the registration of the teams and all relevant championship information. The organiser will provide the necessary information to be included on the website.
